Anniversary

02

A wedding anniversary is a wonderful moment when we stop to reflect on a full year of marriage that has passed. Whether it is the first such occasion or the tenth, a heartfelt anniversary gift is in order. While there are traditions that tell you what to buy for each anniversary, these are merely guidelines, not hard and fast rules for things you absolutely have to buy. Be creative and express your love.

Kitchen items offer a wide range of gift giving opportunities for a wide range of occasions, price ranges and meanings. You could give someone a kitchen related gift for every gift giving occasion in an entire year without repeating anything- even if you include occasions such as a housewarming or congratulations on the new job! Home decoration, kitchen items can be as simple as themed towels or something more elaborate, seasonal or even personalized to make it unique.

Birthday Gifts

Buying a birthday gift can be a lot of fun unless you don't know the person very well. If you are buying something for a friend, a co-worker or for someone who don't see very often - stick with sure-fire birthday gift ideas such as picture frames, house wares and generic items that don't rely on a lot of information to be a great hit.

Father's Day

12

Need Father's Day Gift Ideas? We celebrate the life of our Fathers every third Sunday in June. What are the best gifts for this occasion? That would depend on your father and what he likes to do. After all, no two fathers are alike. Give your dad something on Father's Day that shows how special he is, such as a mp3 recorder, wine set, corkscrew, wallet, money clip, cuff links, shoe shine kit, key ring, picture frame or decorative chess set.

Mother's Day

14

Need gift ideas for Mother's Day? Every second Sunday in May, we celebrate the life of a very special woman. This is the day when we praise Mothers for all they have done for us. Make sure that you buy mom a gift for Mother's Day that shows what she really means to you, for now and for always, such as a jewelry box, photo album, picture frame, earrings, jewelry case, bracelets, necklace, or manicure set.

Valentine's Day

18

The romance of Valentine's Day leaves some people breathless with anticipation and some weak with fear. What if they buy the wrong gift? As long as you buy from the heart, something that will mean something to the person you are buying it for, you cannot go wrong! For Valentines, think of the things that are important to the one you love and buy something special and you are fine.

Bar & Wine

23

Buying a gift for a family member or friend but don't want to buy a bunch of individual gifts? Consider buying a gift for the whole family or one that is meant for the household, why not consider home decoration, bar and wine accessories. A gift for the home bar or for the wine collection can be the perfect choice whether you get a corkscrew or other bar tool or something bigger such as a sign to post above the bar

Photo Frames & Mugs

24

What are the major gift-giving occasions where you would consider buying frames and albums? Think of graduations, professional certifications, weddings, the birth of a baby, baby's christening or first birthday and other life milestones. You can even have themed frames and albums that tell whole stories in pictures for the family, saving their cherished memories for them for years to come.

They say memories are golden, well, maybe that is true. You never wanted memories, you only wanted me. You're the best family a dog ever had. If love alone could have saved me, I never would have died. In life you loved me dearly, In death you love me still. In your heart you hold a place no one else could fill. If tears could build a stairway & heartache a lane know you'd walk the path to Heaven and bring me back again. Although it hurts to lose a friend, know I will be with you til the end.

SADIE
